THE DESIGN AND CRAFT FAIR

17-20 MARCH & 22-25 MARCH

CANARY WHARF

The unrivalled MADE LONDON contemporary design and craft fair comes to Canary Wharf with two different shows and more than 100 of the best designers and makers in the country showcasing and selling their unique handmade products.

Each show presents bespoke, high quality homeware, fashion, jewellery, lighting, furniture and more from a range of materials including ceramic, textile, wood, leather, silver and other more distinctive materials.

Following on from MADE LONDON's hugely successful fairs at Bloomsbury and Marylebone, the Canary Wharf shows offer a friendly and relaxed atmosphere for browsing with the opportunity to source that exclusive item for your home, a stunning gift for someone special or that one piece you have been waiting for!

The makers and designers will be right on hand to tell you more about their work, the design processes, commissions and future collections.

Each fair showcases completely different makers and designers with fresh new products; a visit on both weeks is highly recommended.

Refreshments from any of Canary Wharf's various bars, cafés and restaurants are allowed into the fair so, relax take your time and enjoy a creative day out at Canary Wharf.
